++ Valid for broadcast between 1800 and 0600

Headline:
Chilly tonight with a few showers.

This Evening and Tonight:
Mainly dry this evening with clear periods and a frost in places. Then clouding over but staying largely dry, perhaps the odd shower in the north. Patchy rain possible in the far west towards dawn. Minimum temperature -1 deg C (30 deg F).

Sunday:
Cold and cloudy on Sunday with the chance of a little rain in the west at first, and then towards the east coast later. Often dry and bright, however. Maximum temperature 5 deg C (41 deg F).

Outlook for Monday to Wednesday:
Early rain on Monday, then dry and bright. Rain on Tuesday morning, drying up in the afternoon. Blustery showers on Wednesday.
